Human Trafficking

"Human trafficking (HT) is all around us, in all regions of the world... in practices as forced labour, sexual servitude, recruitment of child soldiers and other forms of exploitation." (UN Secretary General, 2017)

Mara's Story

Mara lived in Moldova where it was difficult to find work. She heard of great opportunities in Western Europe so jumped at the offer of a job in a bar. Mara quickly realised that she had been deceived and was now a victim of trafficking. She was bought and sold by traffickers who took her through Albania, Italy, France and England before she arrived in Ireland. Passport and papers were taken from her and destroyed and she was put to work in a brothel. Mara had to work all day and frequently into the night, receiving only food and shelter. If she did not obey, Mara was told her family in Moldova would be killed. Mara managed to escape and got help. (Shared with permission)

Action to prevent human trafficking:

1. Raise awareness about HT. Often victims are working in beauty salons, car washes and picking fruit etc.
2. If you see anything suspicious report it to the police or an NGO working to eliminate HT.
3. Share this pamphlet and pray for victims who have been trafficked and those keeping them in slavery.

BEFORE

THE CORONA VIRUS PANDEMIC

243 million women and girls, aged 15-49, experienced sexual and/or physical violence by an intimate partner in the past year.

SINCE THE PANDEMIC

violence against women, especially domestic violence, has increased dramatically.

EXACERBATING FACTORS INCLUDE

security, health and money worries, cramped living conditions, isolation with abusers, deserted public spaces, limited access to support services.

In some countries, resources and efforts have been diverted from responses to violence against women for immediate COVID-19 relief.
